Health and Safety

Part of safety is a clean work environment. If you see something lying on the floor don't just walk over it, take the time to pick it up and take care of it. No one wants to trip and fall, so keep an eye out for your safety and that of your coworkers.

NEMROC Equipment and Facility Fund

It's always a good time to donate to the NEMROC fund, it will make you feel better and you will be helping yourself and everyone who will work at NEMROC in the future. Every little bit will help.

Michigan Smoking Ban

NEMROC put a smoking ban in place last summer, effective May 1, 2010 a new Michigan Law bans smoking in all public places. This law does not change our current policy, but it does require NEMROC to enforce this law or face prosecution. Make sure you are **only** smoking in designated locations as we will have to enforce it more effectively in the future.

Mission Statement

North Eastern Michigan Rehabilitation and Opportunity Center, Inc. provides vocational, personal, and social development opportunities for individuals with disabilities to fully integrate into their community.

Tax Time

Don't wait to the last minute to do your income taxes. For those who qualify there is free income tax preparation assistance at either NEMSCA (358-4652) or Alpena County Library (356-6188).
